**Course Title**  
United States History II

**Pre-Requisites**  
Grade 11

**Course Description**  
This course will cover content in United States history from 1900 to the present day; this course will offer a more in-depth view of the modernization of America. The purpose of the United States History 2 course is to integrate the study of the social, economic, and political problems of the twentieth century into the framework of this modern era. Among the anticipated objectives are the understanding of the growth of democratizing institutions in the present day United States and the students’ role in utilizing these democratic forces in the practice of responsible citizenship. Students will be able to relate events of the past to present day situations.
